APPRECIATION

Since its inception thirteen years ago, the Regina Boys' Fair has been fortunate in the co-operation extended by individuals, business firms and various institutions of our city. Though the actual work of running the Fair is done by the boys themselves, the Board of Directors realize the existence of the Fair would be impossible without this support. We are grateful to the Y.M.C.A. for the use of their building and grounds, to Elera Ltd. for the generous donation of Bronze Medals, and to the Rotary Club, through whose co-operation we have been able to provide prizes for the various classes of entries.

We also wish to acknowledge the generous assistance given by the Exhibition Board in loaning of equipment, to the newspapers and radio stations who have aided us in the promotion of our work, and the business firms who have advertised in our booklet. There are many other whom we would like to mention but space does not permit.

On behalf of the Directors, and the hundreds of boys actively interested in the various departments of our Fair, I sincerely thank all the friends who have so generously assisted us.

(Signed) Ed. Cordie,
 Managing Director.

If every hope were realized, and every dream came true;
If only joy were found on earth, and no one ever sighed,
And never a friend proved false to us, and never a loved one died,
And never a burden bore us down, sad, sick and weary too,
We'd yearn for tasks to prove our worth and tasks for us to do "

For the hard job strengthens courage which the easy never can,
